WWI Series Resumes

## WWI Centenary Lecture Series 2014: The Different Faces of WWI

In the centenary year of the start of the First World War, experts from the wide range of subjects within the School of Arts, Languages and Cultures at the University of Manchester share their research to explore new perspectives on this conflict. **The series runs from October to January** and lectures take place on **Wednesday afternoons**. *Lectures are open to university staff and students, to schools and colleges and to the general public.* For further information see the link:
