Marxist reading group

We are starting up a new Marxist reading group at the university this term, where we plan to read classic Marxist texts. The first meeting will be next monday, 3rd October, 1.30, in Arthur Lewis G.030/31. For the first session we'll start with a discussion on Gramsci, 'Selection from the Prison Notebooks' (1971) 'The State and Civil Society' section. It's quite long, so feel free to read just half of it, or all if you want.

Come along with thoughts and/or questions, and don't be put off if you haven't read any Gramsci before, even 'what did this mean?' as a contribution is completely fine!
